

Resolution on Protecting Those Most Vulnerable

Sponsored by Carson Jorgensen, Sanpete County

Co-Sponsors: Stuart Adams, Brad Wilson

Adopted by State Central Committee, August 13, 2021

The Utah Republican Party fully supports the banning of affirmation surgeries, hormone therapy, and puberty-blocking procedures for the purpose of elective gender transitioning on minors. We stand behind all of our elected officials in their efforts against these harmful and irreversible procedures being performed on Utah's children.
